Re: Rotary Golf for Kids

Dear Friend:

As past president of the River Falls Rotary Club, I'm happy to share this news. With permission of Julie Dollohan and the Jim Dollohan Memorial Golf Tournament Committee, Rotary gratefully takes over responsibility for the 10-year-old event.

The tournament's new name will be Rotary Golf for Kids.

One of our non-profit club's top goals is finding ways to help kids, so it seemed a natural fit for Rotary to continue this great tournament. Its proceeds have helped many children.

We plan to keep supporting the same charities the tournament has always supported but also want to grow it and benefit many others. We hope to host all the same plus some new golfers and keep giving to good causes.

Please, I ask you to sign up your usual group and spread the word to other buddies, too. We need your help to keep giving!

We look forward to playing with you August 2nd in the Rotary Golf for Kids tournament.

Sincerely,

A handwritten signature in black ink, appearing to read "K. Pechacek".
